# Index to Record and Guide Vol. LIX.

For New York Auction Sales, Conveyances, Leases, Mortgages, Projected Buildings and Advertisers.

NOS. 1503 TO 1528.

JANUARY—JUNE, INCLUSIVE.

1897.

## PREFACE.

The following is the semi-annual Index of Volume LIX. of "The Record and Guide," containing complete lists of the Auction Sales, Conveyances, Leases, Mortgages and Buildings Projected in New York City during the first six months of 1897. Those wishing to keep a file for permanent reference should see that all the numbers are complete and have them bound. Cost of binding, \$2.00 per volume. A suitable temporary binder, holding one volume, can be obtained at the office, 14 and 16 Vesey street; price, one dollar.

## THE KEY.

\* Before any page No. indicates an Auction Sale.

† Before any page No. indicates a New Building Projected.

Figures in parenthesis are leases.

Figures preceded by capital letter are mortgages, said capital letter indicating the first letter of the name of the mortgagor.

Figures without any signs whatsoever are Conveyances.

## EXAMPLE.

Broome st from West Broadway to Sullivan st. (612), M 614, \*697, 741, †1028. On page (612) a lease can be found. On page 614 a mortgage can be found under the letter M.

On page \*697 an Auction Sale can be found. On page 741 a Conveyance can be found. On page †1028 a New Building can be found.

## AUCTION SALES.

The \* appearing before any number indicates the page on which to find an Auction Sale; for instance, see Bleeker st, from Macdougall to Carmine st. \*926.

## CONVEYANCES

are distinguished by numbers without having signs attached thereto. In many instances there will be found streets, etc., indexed under pages which, on being examined, show at once that they are not in their proper order according to our customary alphabetical and numerical arrangement. A further examination will disclose the fact that while the properties appear more prominently under the other street descriptions, they nevertheless extend to the streets, etc., indicated by the Index, and having a frontage on same have been included in the paging, and it will necessitate a somewhat more thorough search than usual to locate it. The Leases, Mortgages, Auction Sales and Projected Buildings are indexed in a similar manner to the plan followed with the Conveyances.

## LEASES.

The figures in parenthesis, for instance, pages (517), (931), under the head of Attorney st, from Delancey to Rivington st—denote that the transactions on the pages given are Lease-

hold, an assignment of lease or a lease running for a short or long term of years. This explanation is made so that subscribers searching for transfers in fee can at once distinguish between the former and the latter without referring to the pages mentioned.

## MORTGAGES.

All the mortgages are indexed against the street or avenue in which the property is located, and memoranda added to enable searchers to find the particulars in "The Record and Guide." For example, Bank st, from Greenwich to West st, appears followed by T 794. This means that a mortgage against the property on Bank st appears on page 794 and "T" is the initial letter of the mortgagor or borrower. The streets and avenues are so subdivided that very few references are necessary. All readers of "The Record and Guide" are aware that the mortgages appear weekly in alphabetical order, so that they have, so to speak, a weekly index of mortgagors. This publication of an index against property completes the information which those interested may require.

## PROJECTED BUILDINGS

are included under the same general heading, and are distinguished by the † which precedes the numbering. See Barrow st, from Washington to West st. †185, †668.

## Auction Sales, Conveyances, Leases, Mortgages and Projected Buildings.
