Index to Record and Guide Vol. LXII.

For New York Auction Sales, Conveyances, Leases, Mortgages, Projected Buildings and Advertisers.

NOS. 1581 TO 1607.

JULY—DECEMBER, INCLUSIVE.

1898.

PREFACE.

The following is the semi-annual Index of Volume LXII. of "The Record and Guide," containing complete lists of the Auction Sales, Conveyances, Leases, Mortgages and Buildings Projected in New York City during the last six months of 1898. Those wishing to keep a file for permanent reference should see that all the numbers are complete and have them bound. Cost of binding, \$2.00 per volume. A suitable temporary binder, holding one volume, can be obtained at the office, 14 and 16 Vesey street; price, one dollar.

THE KEY.

* Before any page No. indicates an Auction Sale.

† Before any page No. indicates a New Building Projected.

Figures in parenthesis are leases.

Figures preceded by capital letter are mortgages, said capital letter indicating the first letter of the name of the mortgagor.

Figures without any signs whatsoever are Conveyances.

EXAMPLE.

Henry st, from Clinton to Scammel. .11, (17), G 19, *127, S 132, †137, &c.

On page *127 an auction sale can be found.

On page 11 a conveyance can be found.

On page †137 a plan for a new building can be found.

On pages G 19, S 132 mortgages can be found under the letters G and S.

On page (17) a lease can be found.

AUCTION SALES.

The * appearing before any number indicates the page on which to find an Auction Sale;

CONVEYANCES

are distinguished by numbers without having signs attached thereto. In many instances there will be found streets, etc., indexed under pages which, on being examined, show at once that they are not in their proper order according to our customary alphabetical and numerical arrangement. A further examination will disclose the fact that while the properties appear more prominently under the other street descriptions, they nevertheless extend to the streets, etc., indicated by the Index, and having a frontage on same have been included in the paging, and it will necessitate a somewhat more thorough search than usual to locate it. The Leases, Mortgages, Auction Sales and Projected Buildings are indexed in a similar manner to the plan followed with the Conveyances.

LEASES.

The figures in parenthesis denote that the transaction on the page given is Leasehold, an assignment of lease or a lease running for a short or long term of years. This explanation is made so that subscribers searching for transfers in fee can at once distinguish between the former and the latter without referring to the pages mentioned.

MORTGAGES.

All the mortgages are indexed against the street or avenue in which the property is located, and memoranda added to enable searchers to find the particulars in "The Record and Guide." For example, Allen st, from Hester st to Grand st. .S 758. Allen street appears on page 758 and S is the initial letter of the mortgagor or borrower. The streets and avenues are so subdivided that very few references are necessary. All readers of "The Record and Guide" are aware that the mortgages appear weekly in alphabetical order, so that they have, so to speak, a weekly index of mortgagors. This publication of an index against property completes the information which those interested may require.

PROJECTED BUILDINGS.

are included under the same general heading, and are distinguished by the † which precedes the numbering.

Auction Sales, Conveyances, Leases, Mortgages and Projected Buildings.

NEW YORK CITY.

STREETS.

NOTE.—Longitudinal streets, roads and places, such as the Bowery, Boulevard, Broadway, etc., which run parallel with the various avenues, will be found in alphabetical order amongst the avenues.
